

# COMPUTERS WITHOUT COMPUTERS

FRIDAY 21 SEPTEMBER 2018

SCHOOL OF COMPUTING AND MATHEMATICS  
ROOM 1012, BUILDING 13 (LIBRARY), WAGGA WAGGA CAMPUS

## ARE YOU IN YEAR 12 OR 11 AND INTO COMPUTING?

Would you like to have fun while learning about computers?

Register now for Charles Sturt University's Computers Without Computers workshop.

- Take part in really cool hands-on activities on how computers work.
- Find out how computers detect errors, move data, print images, and perform sorting and searching.
- All attendees will receive a Certificate of Participation.
- All attendees will receive the School of Computing and Mathematics shirt
- Get fed. We'll be having morning tea and pizza for lunch.
- It's completely free!

**Hurry – places are limited.**

Register now at
