Dear Milind,

Re: Recipient of the Vice-Chancellor's Award in recognition of an outstanding doctoral thesis

In 2016 the Vice Chancellor's award was established to recognise exceptional research doctoral candidates and acknowledge their achievement. Eligibility is based on two of the three Examiners noting the thesis is in the top 5% of theses which they have examined.

It gives me great pleasure to officially advise you that you are a Recipient of a Vice-Chancellor's Award in recognition of an outstanding doctoral thesis. This achievement will be recorded on your academic record.

I would like to take this opportunity to extend my sincere congratulations to you and your supervisory team on this significant achievement.

Yours faithfully,
