Dear Sha sha

Gulbali Collaboration Kickstarter Scheme

Thank you for your application to the Gulbali Collaboration Kickstarter scheme.

Your application has been assessed and I am pleased to advise that you will be awarded funding in 2022. As per the budget in your application, you have been awarded up to **\$2820**.

This funding will be retained in an operating account at Charles Sturt University, which can be accessed via standard University procedures. The account code is A544-6391-xxx-50108.

In the meantime, please seek travel pre-approval (as required by [policy](#)) and work with the Gulbali Business Team to finalise your activities and travel plans in a timely fashion (gulbali@csu.edu.au).

Please also ensure you comply with the following conditions:

- All funds must be expended by 9 December 2022.
- Applications for travel in Quarter 1 2023 must be pre-acquitted in 2022.
- Any proposed international activities must be consistent with current [CSU travel policy](#) (including pre-approval requirements).
- All activities must comply with relevant COVID safe protocols.
- A report must be submitted to the Institute following completion of your activities.
- A template for reporting the outcomes of your Kickstarter activity will be provided in due course.

It should be noted that your application did not comply with the submission guidelines, however we have agreed to fund the application on this occasion. In future (particularly where tighter competition for funding may exist), we will not be able to accept late applications or applications that don't conform to the application guidelines.

We wish you all the very best for your proposed activities and look forward to positive research outcomes.

Thank you for your application. If you have any questions or concerns, please do not hesitate to contact the business team.

Yours sincerely

Professor Lee Baumgartner
Executive Director
