## Re: AFAANZ 2024 Research Grants

29 June 2024

Dr Milind Tiwari & Dr Jamie Ferrill  
Charles Sturt University  
Faculty of Business, Justice and Behavioural Sciences  
10-12 Brisbane Ave  
Australian Capital Territory, 2600Australia

Dear Dr Milind Tiwari & Dr Jamie Ferrill,

### **2024 AFAANZ Research Grants**

I am writing on behalf of the 2024 Selection Committee for the AFAANZ Research Grant scheme, to let you know that your application for your project entitled "Metaverse: Navigating cryptocurrency-related financial crimes via a new digital realm" has been successful. [Congratulations!](#)

Given that the selection committee received a large number of quality applications for this year's round of funding, unfortunately, we can only award partial funding for your project. In this regard, you have been awarded a grant of \$4600. You will also find below comments about your project from members of the committee for your reference.

The grant recipients will also be announced at our 2024 annual conference during the first plenary session on Sunday, 30 June, between 1.30pm and 3.00pm.

Please liaise with your Head of Department and email an invoice for the amount above plus GST including the bank account details for your grant (email: [info@afaanz.org](mailto:info@afaanz.org)) by the end of October 2024. For New Zealand universities, can you please convert the grant amount to \$NZD before invoicing

Once again, [congratulations!](#)

Yours sincerely
