**Subject:** 2024 Vice-Chancellor's Research Excellence Awards - [Congratulations](#)

Dear Milind

The Vice-Chancellor's Research Excellence Awards Committee has completed its deliberations and we are delighted to inform you that you have been awarded a commendation in the **Early Career Researcher** category.

The nominations for this year's Research Excellence Awards were very strong and I congratulate you on your excellent and sustained work.

In recognition of the award you will receive **\$1000** which can be used to support research-related activities such as travel and conference attendance. The prize money will be allocated for the 2025 calendar year and funds will need to be expended by 30 November 2025. Funds cannot be carried over to 2026.

A university-wide announcement will be made this week and award certificates distributed later this month with details to follow.

As an Award recipient you are required to submit a brief report to the Office of the Deputy Vice-Chancellor Research ([dvcre@csu.edu.au](mailto:dvcre@csu.edu.au)) detailing the use of the prize funds by 31 January 2026.

Many [congratulations](#) on your award and contribution to research at Charles Sturt.

Regards  
Sarah
